\*The Standards Redemption Coupon is available for full dues-paying members only. The coupon is equal to the dollar amount you paid for your membership (e.g., 130 USD for one-year Members, 245 USD for a 2-year membership term, etc.). The option and ability to use the coupon is available when you place an order with ISA Customer Service by phone. The coupon can be applied to downloadable and print versions of individual ISA standards documents only, and not the listed IEC documents. In addition, the coupon cannot be applied to any other standards-related products, such as software licenses and CDs. Unused money remains in your account for the balance of your paid membership term. The coupon is non-transferable.

**Note:** Your redemption coupon must be used before your ISA membership ends.
